Annex 1: Restricted Funding for Research and Career Development Awards

Medical Research UK has restricted funding available for Skills Training and Development Awards and Conference Attendance Awards.

Skills Training and Development Award applicants may apply for up to £10,000.

Conference Attendance Award applicants may apply for up to £2,500.

Funds Available

The list below outlines the available funding for each research area:

Research Area:	Can apply for up to:
Asthma	£3,600
Cancer Pain	£5,100
Crohn's Disease	£3,100
Diabetes	£7,520
Epilepsy	£520
Motor Neurone Disease	£715
Prostate Cancer	£4,100
Stroke/Arterial Illness	£6,350

Please contact the Research Team before applying for Research and Career Development Awards as there may be circumstances where extra funding is available for each research area.
