

Getting to know you

It would be wonderful if you were willing to share with us your current thoughts on leaving a gift in your Will to the Medical Research Foundation. Anything you tell us isn't legally binding and will be kept in the strictest confidence, and we realise, of course, that your intentions can change. It can still be helpful in planning our research goals to understand more about your thoughts on gifts in Wills, so we would be very grateful for your response – whatever it may be. Thank you.
